

The Story

PULAU TIKUS since 2001

The Wine Shop Penang has been delighting wine lovers from its premises at 15 Lintang Burma, Penang. With a focus on providing exceptional wines from all corners of the globe, we have become a trusted name in the retail and wholesale industry, catering to both private and corporate events.

In November 2009, we took a leap of faith by expanding into the shop next door, giving birth to our Wine Bar, Deli and Restaurant at our premises, 11A, Lintang Burma. "Enjoy the dining experience with our best wines." This expansion allowed us to offer a unique experience where customers could savour our wines at retail prices while also enjoying the convenience of takeaway options at reasonable prices.

BAYAN LEPAS since 2016

As we continued to progress from strength to strength, we embraced new opportunities for growth. In 2016, we proudly opened our second branch in Bayan Lepas, extending our reach to further cater to the growing market in that area.

It was an exciting step forward as we aimed to bring our extensive collection of over 1200 wine labels to a broader audience. We wanted to make sure that wine enthusiasts in Bayan Lepas could explore a diverse range of flavours.

TANJUNG BUNGAH since 2019

We expanded further with the launch of our new branch in Tanjung Bungah. We were thrilled to introduce our passion for wines to a whole new customer base.

The Tanjung Bungah branch quickly became a gathering place for wine lovers, where they could discover unique vintages and expand their palates in a wholesome and welcoming environment.

In 2021, we achieved a momentous milestone with the unveiling of our Signature branch—a true testament to our unwavering pursuit of excellence. Nestled in a prime location, this extraordinary establishment epitomizes elegance, sophistication, and a profound passion for the world of premium wines.

FULLY COOKED SAUSAGE LINKS

Snap out of your flavorless stupor and try some of these fully-cooked sausage links. They're smokey. No jokey. Some of them are cheesy. We can't find a rhyme for that, but trust us, it's delicious.
